Minutes: the minutes of the last Annual Parish Meeting held on 25th March 2015 were read, approved and signed as a correct record.

Matters arising: Water running in The Lane – although AWA eventually made a repair to the water main large puddles are still evident after rain. The residents of The Lane think the ditch on the south side has been blocked and consideration is being given to checking this is clear all the way to the brook. This in turn may alleviate the flooding of the barked area of the playing field, where the drain does not run freely.

He also remembered Mrs Kath Goodwin who died last September, as she had been a Parish Councillor for several years and served on various other village committees.
