Reply received following requests to be kept up to date with regard to the court proceedings relating to the anti social behaviour of dogs at Village Barn Farm. The Court decision taken was that the incidents could not be deemed to be 'persistent' in their nature (as required for a Criminal Behaviour Order to be justified) and therefore the Orders were not approved. Mr Trussell offered to draft a response outlining the disappointment of the Parish Council and it's opinion that the problem had not been dealt with sufficiently.
