605 Repairs **Village Sign** Mr Baker had spoken to Linda Ramsey of Brampton
who on inspection of the sign said it requires repairs to the wood before
repainting. Mr Baker had then spoken to Peter Graham of Jacowe Joinery Ltd,
Godmanchester. A price will be given before any work commences.

Mike Baker 13/July/23

Notice Board Mr Baker had spoken to London House Signs who had said he would carry out the repairs. An estimate of the cost is required and awaited.

Goosey Close Mr Wood reported the wooden bench/table in the playing field had been repaired. The wooden edge retaining the chippings requires replacement. Consideration was given to leaving the edge without support but it was considered the grass edge would break down without this. Mr Wood will ask Mr Messenger to look at this with a view to completing the work before the annual inspection due to be carried out by Fenland Leisure Ltd
