July 2008

NATURE NOTES

Brian Davis is on holiday this month and unfortunately forgot to attach his July note to the e-mail he sent just before he left!

PARISH COUNCIL NEWS

Huntingdonshire District Council Environment Week ran from 2nd - 6th June and encompassed a number of different events and offers. As Easton villagers are not always able to take advantage of these, the District Council has given the Parish Council a number of bags of compost/soil improver. At the moment Anthea Beer has a number of bags left over, so if anyone has not yet contacted her for one or would like another bag, please contact her on 01480-890332 or email clerk_eastonpc@yahoo.co.uk to arrange collection.

The next Parish Council meeting is scheduled for 3rd July 2008.

CHURCH NEWS

Our Patronal Festival will be celebrated this Sunday on St. Peter's Day, 29th June, with a special Group Eucharist for the five parishes in Easton at 11.00 a.m. Even if you do not normally attend the Eucharist, you will be made most welcome at this special event.

Services during July will be:-

6 th July	-	9.30 a.m.	Eucharist
13 th July	-	6.00 p.m.	Evensong
20 th July	-	9.30 a.m.	Sunday Worship
27 th July	-	8.00 a.m.	Eucharist

MORE HOMES NEEDED FOR CATS...

Earlier this year an elderly gentleman with over 60 cats called in the St Neots & District Cats Protection to assist him as he was no longer able to cope. Whilst the work has been ongoing and over 20 of the cats have been re-located or re-homed, the situation has taken a dramatic turn with the unexpected death of the owner. The branch has now been given only 2 months to remove the remaining 40 cats from the property before the estate is settled and the buildings demolished. Unless homes are found for these animals, the property owners may have no choice but to have the cats put to sleep. Our pens are full and we desperately need homes for adult cats and in some cases homes for more than one cat. Please contact us as soon as possible if you are able to offer any of them a safe and loving home. There are many garden/farm/working cats at the property which will need re-locating, so if you have large grounds, a small-holding, farm, nursery or factory where we can place these animals, we will provide an outdoor shelter and regular food - subject to availability of donated supplies. These animals provide a beautiful and natural pest control service so if you can help please contact us urgently. The numbers to call are - 01480 476696, 07900 257061 or 07966 282005. Please leave a message if there is no reply - we will call you back.

“The Woodpecker might have to go...”
