Easton Coronation Celebration

Kathy Yates

Villagers enjoyed wonderful weather on the playing field during the Coronation Celebrations which took place on Bank Holiday Monday 8<sup>th</sup> May 2023.

We all listened to Henry's band called White Crown who were excellent. After listening to them I am sure they will get further bookings. Everyone brought a picnic and there was a bouncy castle for the children and

lots of games including a tug of war, sack race, 3-legged race, bean bag and egg and spoon.

The traditional Welly throwing competition was won by Henry Mayer for the men and Rebekah Bell for the women.

There was one particular winner who received a specially engraved medal.

Jimmy Gray won the over 80s sprint and received a certificate along with his medal.

Well done, Jimmy, and congratulations to all our winners

There was a toast to King Charles III and a piece of Coronation cake made by Hannah Yates with help decorating the cake from Vicky Arbuthnott and Katie Turner. Many thanks to Hannah, Vicky and Katie. The day finished with a great sing a long accompanied by Phil Bell on the keyboard which was enormous fun. Brilliant playing Phil.

Special thanks to everyone who helped make the day so special with a mention for Mac Baker who saved the day with his generator when it seemed that either the Band

or the Bouncy Castle would have to be sacrificed. Thanks so much Mac.

Also, thanks to Geoff Messenger who always does so much behind the scenes. We really appreciate it Geoff. And thanks to everyone who helped put the Marquee up and take it down. Lastly my thanks to Clive, John and the rest of the Committee for helping make the day go so well.

## Village Photo

Thank you to all those who turned out for the Easton Villagers Photograph, and thanks to Hannah Yates for offering to take it. Easton Parish Council have agreed to provide a free enlargement for each household represented in the photo and they will receive their copy in due course. Anyone not appearing in the photo but would like to obtain a printed copy, please contact Hannah via email [hlyatesdesign@gmail.com](mailto:hlyatesdesign@gmail.com). The full-size photo will also be on the village website shortly, so would be available for anyone wishing to download it.

## 59 Club

**John Maith**

The March and April winners were Linda Maith (fix) and Clare Hindmarch respectively with numbers 28 and 59. Congratulations to both. The May draw will be on Saturday 27<sup>th</sup> May and the winning number will be, as usual, the bonus ball in the National Lotto draw. Good luck to all.

## 20MPH Speed Limit in the village

The application to reduce the speed limit through the village to 20mph has been submitted by the Parish Council. The process required answers to a number of questions about the village and its traffic. Each answer is then given a score to allow every application to be ranked in order of importance. Bearing in mind some of the questions related to the size of the community, and if there had been any accidents or deaths recorded, it may be that our application is seen as a low priority, but we will keep everyone informed about the decision.
